Case No. 13-cv-02219-HSG

**UNOPPOSED ADMINISTRATIVE
MOTION TO EXTEND TIME TO
SUBMIT JOINT CASE
MANAGEMENT CONFERENCE
STATEMENT**

Local Rule 6-3

1 Pursuant to Civil Local Rule 6-3, Defendants McKesson Corporation and McKesson
2 Technologies, Inc. ("Defendants"), move as follows:

3 On September 11, 2018, the Court entered an order setting a Case Management
4 Conference for October 2, 2018. Judge Gilliam's standing order provides that "[t]he parties must
5 file a joint case management statement addressing those items required by the Standing Order for
6 all Judges of the Northern District of California . . . not less than seven calendar days prior to the
7 case management conference." The Standing Order for all Judges of the Northern District of
8 California provides that a joint case management statement address issues such as service of the
9 complaint, initial disclosures, and consent to a magistrate judge for all purposes. Although it is
10 unclear whether such a statement is required prior to all case management conferences or just the
11 initial case management conference, a joint case management statement may be helpful to the
12 Court, and the parties have agreed to file a joint statement in advance of the October 2
13 conference. The parties, however, have not yet completed their joint statement, so in an
14 abundance of caution, Defendants are filing this request for an unopposed extension to file the
15 parties' joint case management statement by September 27, 2018.
